

**Help us support
everyone affected
by cancer**

www.cancercard.org.uk

Our mission is to provide a single point of access to cancer support services, and ensure that no one faces cancer alone.

To do this, we need your support

An NHS-approved charity, we offer comprehensive support to those affected by cancer.

Our services include an online support directory, a dedicated phonenumber, and Comfort Boxes.

In partnership with Social Security Scotland, we provide in-person assistance with disability benefit applications. Additionally, we collaborate with We Are Group and Lloyds Bank to operate a digital helpline, offering support for online tasks and free device provision to promote digital inclusion among cancer patients.

We support everyone impacted by cancer – patients, partners, family, friends and employers. Regardless of age, ethnicity, or background, we are committed to being inclusive and accessible to all who need our help.
